## Import Shipping

### Simplify Your Import Shipping Process

Importing products into your country can be a complex and challenging process. At Aeropost, we understand the intricacies and nuances of importing goods and can offer you custom shipping solutions that simplify and streamline the process including last mile delivery to your store front. Our reliable service ensures that your shipments arrive on time and in good condition.

## All In One Place

### Import Shipping & Customs Clearance

Whether you're starting, growing, or expanding your business, we're here for YOU.

#### Parcels & Documents

- Light to medium weight shipments (typically up to 70lbs)
- Business to Business/ Business to Consumer

#### Cargo & Freight

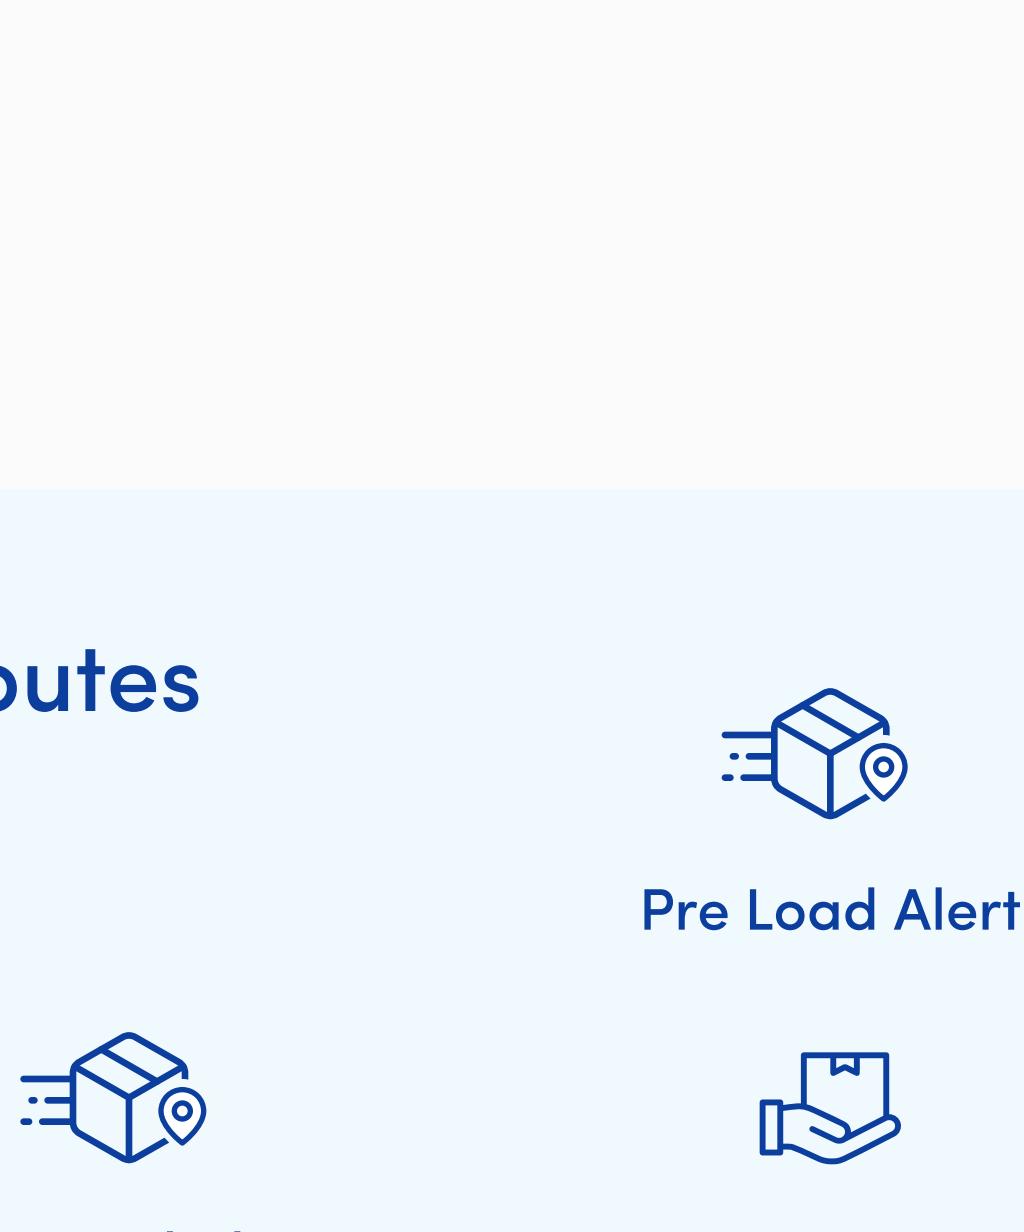

- Heavier shipments (typically 70lbs+) using pallets or containers
- Business to Business

## Shipping

### Comprehensive Shipping Solutions for Your Business

We specialize in providing comprehensive import shipping solutions to businesses in the country. Our services include customs clearance, drayage, freight forwarding, and logistics management.
